The workshop will also walk the participants through:

- Understanding the GDPR from a strategic perspective
- Understanding the key changes in the GDPR

- Developing an understanding of the actions charities need to take to improve compliance
- Understanding what you need to do to make the GDPR work for your organisation.

GDPR Is On The Way, Don't Let Your Organisation Be Left Behind!

Facilitator: David Farrelly, Sytorus Ltd

David Farrelly

Dave has extensive business and technology management experience having  worked in leadership roles in the interactive media and technology sector for his entire career.
http://www.cmgttraining.com/wp-content/uploads/2017/07/

Having worked for companies such as Riverdeep and Vivendi Games, Dave was responsible for business management and operations as well as the oversight of all project delivery.

Dave is a seasoned lecturer and trainer specializing in data protection and the upcoming GDPR legislation, project management and IT capability management.

Feedback from Previous Participants of The Wheel's Data Protection Workshops:

?Data Protection is a tough topic and Hugh made it feel easy, relevant and understood. The group interaction was very positive overall.? J. Warren, JE Warren Consulting

?Very good interaction. Facilitator was so knowledgeable and able to answer any question. Gave great reassurance? - U. Kinane, Irish Advocacy Network

Who Should Attend:

Senior managers, CEOs, Communications Officers, IT Officers, business development officers, data management officers and anyone in the organisation with responsibility for Data Protection.
