Course details:

Irish charities, community and voluntary groups are doing a great work throughout Ireland and it's high time we celebrated that fact. And that's precisely what the Charity Impact Awards Night intends to do - we hope you can join us...

The Wheel, Ireland's national association of community, voluntary and charitable organisations, has developed the Charity Impact Awards to promote best practice and increase awareness of the significance and role of the nonprofit sector in Irish society.

We passionately believe that people, through their participation in community, voluntary and charity organisations, play a central role in improving and enriching life in Ireland. The aim of the Awards is to recognise and showcase this important contribution.

Join us as we honour and celebrate organisations and individuals who seek to make a positive contribution to their communities!
