

[Education For Sustainability](#) is seeking an Environmental Educator in Galway/Mayo on a freelance, contract-for-services basis, to deliver our 8-week Climate Literacy course for primary & post-primary schools.

If you have good experience working with young people aged 10-18 years and if you are passionate about sustainability and the environment, we want to hear from you. Applications are welcome from educators, youth workers etc., even if your knowledge of Environmental Education is not at expert level!

Training is provided.

*Education for Sustainability CLG is a non-profit social enterprise aimed at increasing climate literacy and fostering behaviour change through educational programmes for schools throughout Ireland. Founded by Susan Adams in 2017, as a response to the escalating climate crisis and to the deficit of action-based climate action in schools, it is our mission to ensure that young people are educated about the climate crisis and that they have the knowledge, skills and tools to act for sustainable development now and in the future.*

#### **Contract Details:**

- This role will cover: Galway & Mayo county
- These are hourly-paid freelance contract-for-service roles at a rate of €65.66 per hour plus travel expenses.
- The contract will be on an 8-week basis, to facilitate the delivery of the Climate Literacy course in schools (training is provided).
- The Environmental Educator may be working with up to 8 schools each week for the total 8 weeks, therefore the weekly hours will amount to 5-8 hours per week, plus travel time.

#### **Role Description:**

- Delivery of the 8-week Climate Literacy course to primary & post-primary schools in your area (Galway & Mayo)
- Liaising with schools/principals as required to maintain good communication and a positive relationship with the schools
- Support and train the teachers during the delivery of the course

- Support students to create an action project as part of the Climate Literacy programme.
- Attend to occasional administrative and communications tasks that arise as a result of the course delivery.

**Expected start date is November 4th.**

**Requirements:**

- Minimum of 2 years experience working with children and young people.
- An understanding of the climate and biodiversity crisis and a passion for the sustainability solutions to these crises.
- Access to a car and a full, clean driving licence.
- Access to your own laptop and good computer literacy.
- Excellent interpersonal skills in working as part of a team and also in working with all school staff.

**Application & Interview Process:**

Closing Date for Applications:	5pm Friday Sept 27th 2024
Interview Dates:	Week beginning Oct 7th
Interview Format:	On Zoom
