

TRAINING LINKS 2025 - 2026

ELIGIBILITY, SELECTION & APPEALS PROCESS

Stage 1 - Eligibility

1. All applications submitted by the closing date of **5pm on Friday, 7 Feb 2025** will be considered by The Wheel using the eligibility criteria as detailed in the Training Links 2025-2026 Programme Overview, Section 7. This is Stage 1 of the overall selection process.
 2. The Wheel will complete an eligibility assessment sheet for each application during the eligibility review.
 3. All applications that pass the eligibility stage will move forward to the next stage of the process, Stage 2 – Selection.
 4. The Wheel will notify ineligible applicants following the Stage 1 review by **14 Feb 2025**. Ineligible applicants can use the appeals process within 5 working days by contacting The Wheel on traininglinks2025@wheel.ie clearly outlining the reason for appeal. The Wheel will adjudicate on the merit of the appeal and communicate a final decision to the Training Network within 2 working days of receiving the appeal.
- Stage 1 - Eligibility review: 10 - 14 Feb 2025
 - Eligibility appeals process: 17 -21 Feb 2025.

Stage 2 - Selection

1. It is anticipated that there will be two independent expert assessors (the panel) identified by The Wheel to undertake the selection process. The Wheel will provide advice and support to the panel as required.
 2. The panel will consider all eligible applications.
 3. The panels final recommendations will be based on the information provided in the application forms, and how these have taken account of the Training Links programme objectives, the priority areas and the cross-cutting challenges.
 4. The final recommendations will be based on the funding requested in each application and the total funding available.
- Selection by independent panel: 24 Feb – 7 March 2025.

Stage 3 – Confirmation of Selection

1. All shortlisted applications will need to be reviewed by the panel working together, discussions held, and final recommendations agreed.

2. All applications that have been reviewed by the individual panel member; i.e., not just the ones that have been shortlisted, will be available to the other member of the panel, in advance, should they so wish.
3. A final successful group who demonstrates the diversity as described in the Training Links 2025-2026 Programme Overview must be selected. As part of its evaluation and performance monitoring process, members of the The Wheel's Sector Skills Team will meet with the panel to discuss their recommendations and confirm the final shortlist of successful applicants.
4. The Wheel will notify **unsuccessful** applicants of their results following the Stage 3 review on or by **14 March 2025**. Unsuccessful applicants can use the appeals process within 5 working days by contacting Emma Murtagh, Director of Development and Member Services at The Wheel, on emma@wheel.ie clearly outlining the reason for appeal (see Stage 4 – Appeals).
5. Some additional Training Networks will also be identified as a backup list so that if any of the successful Training Networks are not able to take up the programme, there are Training Networks selected to take their place on the programme.
6. Applicants will be notified about their result by **31 March 2025**.
