How it Works

Dublin City Treasure Hunt Challenge is a fantastic family activity, its educational, fun and competitive.

Played in Teams of 4 players on smartphones through our custom made app

All questions are activated by GPS – Simply Walk to the Pin  on the Map and the question will activate.

All questions are localised and the answers are there once you search for them.

-  Live Leader Board and live team chat.
-  Lots of fun photo and video challenges.
-  Content is suitable for all ages
-  Great mix of challenges, puzzles and localised content.
-  Visit's Temple Bar, Grafton Street, Trinity College, Dublin Castle, O'Connell Street

If played nonstop the duration of the event would average two hours but teams can take all day to play if they wish.

How to Play

- 📍 Team captains download our custom made app and enter their unique booking code.
- 📍 Once the code is entered, they enter a team name, take a team photo and the game begins
- 📍 Teams are guided around the city to specific point through a custom designed Google Map.
- 📍 Teams move to PINS 📍 When a team gets to within 15 metres of the PIN the question activates.

What are the questions like?

There are a huge variety of questions including photo and video challenges. A typical question will be informative and educational on the specific location, building or statue you are at, but might also have a hidden puzzle or date you need to work out about the location. A lot of questions are against the clock so the quicker you answer the question the more points your team will receive.

There are superpowers where teams get double points for all the questions they answer within a 3 minute period. This creates a great sense of urgency and excitement in the game.

How to Book

- 📍 We provide you unique webpage on our site for people to book.
- 📍 You share the link to your membership.
- 📍 Teams buy the ticket and receive all game instructions and details along with a unique login code for each team.
- 📍 Purchasers can buy one team ticket or ten team tickets.

Maximise Participants with our Play anytime option.

The Fundraising Event can run over a month. You can let teams buy tickets and play anytime. This will allow you to maximise the number of participants. There will be a live leaderboard throughout the duration of the competition.

And/or

Run an official **Treasure Hunt Challenge Day event** and tell guests to meet at the Gaiety Theatre to start the game at a selected time. Teams can play the live event on the day or play anytime during the month. **Event Party**, you have the option to run an official prizegiving back at the club or another venue on the day or at any time in the future to coincide with other club activities.
